Dear Colleague

Consultation on changes to the NHS Superannuation Scheme Scotland Regulations

A Consultation on draft regulations will run from 15 February to 6 March 2018. The purpose of these regulations is to correct “coming into force” dates in Scottish Statutory Instrument 2017/434.

As this is only a short corrective document and introduces no new provisions, the consultation period will be for two weeks only. A copy of the consultation document has been circulated to members of the NHS Pension Scheme (Scotland) Scheme Advisory Board and is also available on the Agency’s website www.sppa.gov .

If you have any comments on this document please email these to me at Sharon.liptrott@gov.scot by 6 March 2018.

Yours faithfully

Sharon Liptrott
