Dear Sirs

THE NATIONAL HEALTH SERVICE SUPERANNUATION SCHEME (SCOTLAND) VALUATION

The valuation report for the period 1999 – 2004 has now been completed and the full report can be viewed at www.sppa.gov.uk

Employers will wish to note that the report recommends a decrease in the employer's contributions from 14% to 13.5%.

The Scottish Government has accepted the recommendation contained in the report and accordingly you are asked to make the necessary change in the employer's contribution rate from 1 April 2009.

Yours faithfully

Ian Clapperton
Director of Operations
