Dear Sir/Madam

NHS Superannuation Scheme Scotland – Guides

I am writing to let you know that all NHS Scheme guides have now been re-printed and are available for issue to staff.

A copy of the Guide for Practitioners and staff working in GP practices is enclosed for your information. Further copies of the new guides can be accessed from our website or by contacting the Agency at sppamailroom@scotland.gsi.gov.uk. I would ask however that you restrict orders to a current requirement as SPPA plan on re-printing their guides on a regular basis. Any Scheme changes however will be reflected in the guides published on the web.

With immediate effect you are asked to destroy existing stocks of the Scheme guides and to contact SPPA to obtain replacements.

Employers are asked to ensure that all new staff are provided with information about the Scheme on commencement of employment.

NHS Website

Individual sites have been developed on our website to provide information relevant to Practitioners and staff working in GP practices. The site will also provide up to date Agency contact details.

Yours faithfully

Ian M Clapperton
Director of Operations
Scottish Public Pensions Agency
