Dear Sir/Madam

NHS Superannuation Scheme Scotland – Valuation

The Report of the 1999 valuation of the Scheme has now been approved and published. A copy of the report is available via the SPPA web site <http://www.sppa.gov.uk>

The report confirms that the current employer rate of 14% is adequate and no change is recommended.

SPPA are now beginning work with the Government Actuaries Department to prepare the data for the next valuation due as at 31 March 2004 and it is hoped that this will conclude later next year.

Yours faithfully

I M Clapperton
NHS Scheme Manager
