

**SCOTTISH TEACHERS' SUPERANNUATION SCHEME
CIRCULAR 06/2013**

WHO SHOULD READ: Chief Executives, HR and Payroll managers
ACTION: To read and circulate as appropriate
SUBJECT: STSS Technical Working Group

The purpose of this circular is to advise of the representatives selected to participate in the STSS Technical Working Group.

In circular 02/2013, we invited employers with members who are in the STSS, to volunteer and participate in a Technical Working Group.

We suggested that, as well as representatives from the Local Authorities, it would be useful to have representatives from Colleges Scotland, from the Scottish Council of Independent Schools and the higher education sector who could cascade relevant information through their appropriate channels.

As there were a number of nominations, I am pleased to announce that we have selected what we consider to be a good representation of the STSS employer group encompassing both HR and payroll. The employer representatives selected are:

Michael Youd	North Ayrshire Council	Frontier Systems - CHRIS 21
Graham Hawthorn	West Dunbartonshire Council	Frontier Systems - CHRIS 21
Fiona Harrison	Renfrewshire Council	Resourcelink
Charlene Devlin	Scottish Borders Council	Resourcelink
David Shepherd	Dumfries and Galloway Council	Itrent (MidlandHR)
Debbie Kerr	Borders College	Frontier Systems - CHRIS 21
Colin Hyslop	Erskine Stewart's Melville Schools	PASS payroll system
Morag Easton	Edinburgh Napier University	Itrent (MidlandHR)
Sandhya Daye	Glasgow Caledonian University	Source
John Edwards	Scottish Council of Independent Schools	Various
Carol Adam	Colleges Scotland	Various

Arrangements are now being made to hold our first meeting during April and the nominees are being consulted to arrange a suitable date. One of the first tasks will be for the representatives to nominate a deputy who will attend in their absence and then to agree the Terms of Reference of the group.

If there are any issues which you wish to raise at the TWG, please direct all agenda items through your appropriate representative from the above list.

I would like to take this opportunity to thank all of the other volunteers who have shown an interest in participating in the group. It is good to know that we will be working together to resolve issues and to provide the best service to members.
