Definition of “investment”

3.—(1) In these Regulations “investment” and similar expressions have their normal meaning.

(2) But the following provisions of this regulation specify things which count as investments for these Regulations, although they might not otherwise do so, and exclude things which might otherwise count.

(3) A contract entered into in the course of dealing in financial futures or traded options is an investment.

(4) Prior to 1st April 2010, if the administering authority uses fund money for any purpose for which it may borrow money, that use counts as an investment.

(5) A contract of insurance is an investment if and only if it is a contract of a relevant class, and is entered into with a person within paragraph (6) for whom entering into the contract constitutes the carrying on of a regulated activity (within the meaning of the 2000 Act).

(6) The persons within this paragraph are—

(a) a person who has permission under Part 4 of the 2000 Act (permission to carry out regulated activities) to effect or carry out contracts of insurance of a relevant class;

(b) a contract to manage the investments of pension funds, whether or not combined with contracts of insurance covering either conservation of capital or payment of a minimum interest.

A copy of this document may be obtained by contacting the Departments Workforce Pay and Pensions Division (tel. 0303 444 2167 or e-mail robert.holloway@communities.gsi.gov.uk).
Collective Investment Schemes Sourcebook made by the Financial Services Authority\(^{(a)}\) are fulfilled in relation to that arrangement.

(9) The modifications mentioned in paragraph (8) are that—

(a) in rules 5.4.4R and 5.4.6R references to the depositary must be read as if they were references to the administering authority;

(b) in paragraph 1 of rule 5.4.4R the words “An ICVC, or the depositary at the request of the ICVC, or the trustee at the request of the manager, may enter into a repo contract, or” shall be substituted with the words “The administering authority may enter into”;

(c) in paragraph 1(a) of rule 5.4.4R the words “for the account of the ICVC or by the trustee,” and the words “or to the trustee” shall not apply;

“limited partnership” means a partnership where the partners are not liable for the debts or obligations of the partnership beyond the amount which they contributed at the time of becoming a partner;

“traded option” means an option quoted on a recognised stock exchange or on the London International Financial Futures Exchange; and

“unquoted securities investment partnership” means a partnership for investing in securities which are normally not quoted on a recognised stock exchange when the partnership buys them.

**Management of pension fund**

(a) the amounts payable by it or paid to it for the credit of the fund by any other authority under regulations 35 to 37 of the Administration Regulations (employers’ contributions and payments);

(b) all members’ contributions including those made by virtue of the Transitional Regulations, except contributions payable under regulation 22 of the Administration Regulations (additional voluntary contributions and shared cost additional voluntary contributions);

\(^{(a)}\) The Collective Schemes Sourcebook (known as COLL) is made by the Financial Services Authority by virtue of Part X and sections 247 and 248 of the 2000 Act and S.I. 2001/1228, see http://fsahandbook.info/FSA/html/handbook/COLL.

(3) In the case of an administering authority which maintains more than one pension fund, as respects sums which relate to specific members the references in paragraph (2) to the authority’s fund are to the fund which is the appropriate fund for the members in question in accordance with Schedule 4 to the Administration Regulations (appropriate funds).

(4) Interest under regulation 16(2) must be credited and paid to the fund to which repayment is due.

(5) Interest under regulation 39(1) of the Administration Regulations (interest) must be credited and paid to the fund to which the overdue payment is due.

(7) In this regulation—
“member” has the same meaning as in section 124(1) of the Pensions Act 1995(b) but does not include a person who has rights to future benefits under the scheme which are attributable (directly or indirectly) to a credit under section 29(1)(b) of the Welfare Reform and Pension Act 1999(c) or corresponding Northern Ireland legislation;
“the Benefits Regulations” means the Local Government Pension Scheme (Benefits, Membership and Contributions) (Scotland) Regulations 2008(d); and
“the Transitional Regulations” means the Local Government Pension Scheme (Transitional Provisions) (Scotland) Regulations 2008(e).

**Power to borrow**

5.—(1) Except as provided in this regulation, an administering authority must not borrow money where the borrowing is liable to be repaid out of its pension fund.

(2) An administering authority may borrow by way of temporary loan or overdraft from a bank or otherwise any sums which it may require for the purpose of—

(a) paying benefits due under the scheme; and
(b) to meet investment commitments arising from the implementation of a decision by it to change the balance between different types of investment.

(3) An administering authority may only borrow money under paragraph (2) if, at the time of borrowing, the authority reasonably believes that the sum borrowed and interest charged in respect of such sum can be repaid out of its pension fund within 90 days of the date of the borrowing.

---

**Separate bank account**

6.—(1) Beginning on 1st April 2011, an administering authority must hold in a separate account kept by it with a deposit taker in accordance with this regulation—

(a) all monies held by the authority on that date; and

---

(a) 1999 c.30; sections 23 and 24 were amended by the Civil Partnership Act 2004 (c.33), Schedule 27, paragraphs 157 and 158 and Schedule 30.
(b) 1995 c.26.
(c) 1999 c.30.
(b) all monies received by it on or after that date, for the purpose of its pension fund.

(2) “Deposit taker” for the purposes of paragraph (1) means—

(a) a person who has permission under Part 4 of the 2000 Act (permission to carry on regulated activities) to accept deposits;

(b) an EEA firm of the kind mentioned in paragraph 5(b) of Schedule 3 to that Act which has permission under paragraph 15 of that Schedule (as a result of qualifying for authorisation under paragraph 12 of that Schedule) to accept deposits;

(c) the Bank of England or the central bank of an EEA state other than the United Kingdom; or

d) the National Savings Bank.

(3) The deposit-taker shall not, in relation to the account referred to in paragraph (1), exercise any right of set-off it may have in respect of any other account held by the administering authority or any party connected to the administering authority.

Investment managers

7. For the purposes of regulations 8 to 10, an “investment manager” is—

(a) someone who has permission under Part 4 of the 2000 Act (permission to carry on regulated activities) to manage investments and may lawfully manage the assets of occupational pension schemes;

(b) an EEA firm of the kind mentioned in sub-paragraph (a), (b) or (c) of paragraph 5 of Schedule 3 to that Act (EEA passport rights), which has permission under paragraph 15 of that Schedule (as a result of qualifying for authorisation under paragraph 12 of that Schedule) to manage investments and lawfully manage the assets of occupational pension schemes; or

c) a person—

(i) who does not carry on regulated activities (within the meaning of the 2000 Act) from a permanent place of business maintained by that person in the United Kingdom;

(ii) whose head office is situated in an EEA State (within the meaning of the 2000 Act) other than the United Kingdom;

(iii) who is recognised by the law of that EEA State as a national of that or another EEA State;

(iv) who is authorised under that law to carry on one or more regulated activities (within the meaning of the 2000 Act); and

(v) who is not prevented by that law from managing the assets of occupational pension schemes or assets belonging to another person.

Choice of investment managers

8.—(1) Instead of managing and investing fund money for itself, an administering authority may appoint one or more investment managers to manage and invest fund monies, or any part of such money, on its behalf.

(2) But the authority may only appoint an investment manager if the authority complies with paragraphs (3) to (6).

(3) The authority must reasonably believe that the investment manager’s ability in and practical experience of financial matters makes that investment manager suitably qualified to make investment decisions for it.

(4) The investment manager must not be their employee.

(5) The authority must be satisfied—
   (a) that the fund, or the relevant part of it, is managed by an adequate number of investment managers; and
   (b) that the value of the fund money to be managed by any one investment manager will not be excessive.

(6) The authority must have taken proper advice in relation to the appointment.

**Terms of appointment of investment managers**

9.—(1) Investment managers must, if appointed, be appointed on the terms set out in paragraphs (2) to (7).

   (2) The administering authority must be able to terminate the appointment by not more than one month’s notice.

   (3) The investment manager must report to the administering authority at least once every three months on the action the investment manager has taken on behalf of the authority.

   (4) The investment manager must comply with all the administering authority’s instructions except in circumstances permitted by his terms of appointment.

   (5) In managing the fund the investment manager must take into account—

      (a) that fund money must be invested in a wide variety of investments;

      (b) the suitability of particular types of investment, or of any particular investment, for the fund; and

      (c) the administering authority’s statement of investment principles.

   (6) But paragraph (5)(a) does not apply where the investment manager only manages part of the fund and the terms of the investment manager’s appointment provide that it does not apply.

   (7) The investment manager must not make investments which would contravene the administering authority’s statement of investment principles, regulation 14 (restrictions on investments) or Schedule 1.

   (8) In determining the investment manager’s terms of appointment, the administering authority must take proper advice.

**Review of investment manager’s performance**

10.—(1) Where an administering authority has appointed an investment manager it must keep the investment manager’s performance under review.

   (2) At least once every three months the authority must review the investments the investment manager has made for the fund and any other action that has been taken by the manager in relation to it.

   (3) Periodically the authority must consider whether or not to retain the investment manager.

   (4) In reviewing an investment manager’s decisions and appointment, the authority must take proper advice—

      (a) if regulation 9(5)(a) applies, about the variety of investments the investment manager has made; and

      (b) about the suitability of those investments for the fund generally and as investments of their type.
Investment and use of pension fund money

Investment of pension fund money

11.—(1) An administering authority must invest in accordance with its investment policy any fund money that is not needed immediately to make payments from the fund.

(2) The authority may vary its investments.

(3) The authority’s investment policy must be formulated with a view—
   (a) to the advisability of investing fund money in a wide variety of investments; and
   (b) to the suitability of particular investments and types of investments.

(4) The authority must obtain proper advice at reasonable intervals about its investments.

(5) The authority must consider such advice in taking any steps about its investments.

Statement of investment principles

12.—(1) An administering authority must, after consultation with such persons as it considers appropriate, prepare, maintain (in accordance with paragraph (5)) and publish a written statement of the principles governing its decisions about investments.

(2) The statement must cover its policy on—
   (a) the types of investments to be held;
   (b) the balance between different types of investments;
   (c) risk, including the ways in which risks are to be measured and managed;
   (d) the expected return on investments;
   (e) the realisation of investments;
   (f) the extent (if at all) to which social, environmental or ethical considerations are taken into account in the selection, retention and realisation of investments;
   (g) the exercise of the rights (including voting rights) attaching to investments, if they have any such policy; and
   (h) stock lending.

(3) The statement must also state the extent to which the administering authority complies with guidance given by the Scottish Ministers, and, to the extent it does not so comply, the reasons for not complying.

(4) The first such statement must be published no later than 1st July 2010.

(5) The statement must be reviewed, and if necessary, revised, by the authority from time to time and, in the case of any material change in the authority’s policy on the matters referred to in paragraphs (2) and (3), before the end of a period of six months beginning with the date of that change.

(6) A statement revised under paragraph (4) must be published.

Investments under s.11 of the Trustee Investments Act 1961

13.—(1) An administering authority may invest, without any restriction as to quantity, in any investment made in accordance with a scheme under section 11 of the Trustee Investments Act 1961(a) ((which enables the Treasury to approve schemes for local authorities to invest in collectively).

(a) 1961 c.62.
Restrictions on investments

14.—(1) The table in Schedule 1 sets out the limits which apply in relation to certain sorts of investments.(a)

(2) Subject to paragraph (3), the percentages set out in Column (1) of the table are the limits on the amount of each description of investment listed next to those percentages.

(3) An administering authority may decide to increase those limits up to the limits set out in Column (2) of the table (where a percentage is specified in that Column) in accordance with the requirements of regulation 15.

(4) Those percentages are percentages of the total value of all existing investments in the fund before making the investment which is subject to the limit.

(5) The limits only apply at the time the investment is made.

(6) Part II of that Schedule sets out certain exceptions to the limits.

(7) Part III of that Schedule applies for interpreting Parts I and II.

Requirements for increased limits

15.—(1) An administering authority which decides to increase limits under regulation 14(3) must comply with the requirements of this regulation.

(2) The authority must have taken proper advice.

(3) The authority must take account of the factors set out in regulation 11(3).

(4) Where there is a decision to use the increased limits under regulation 14(3) in relation to item 13 of the table in Schedule 1, Part I, the additional risks of the increased limit must be taken into account in addition to those factors set out in regulation 11(3).

(5) The decision must specify in writing—

(a) the description of investment to which it applies;
(b) the limit on the amount of the investment;
(c) the reason for that decision;
(d) the period for which the decision will apply;
(e) if the authority intend to review the decision before the end of the period in (d), the date when the decision will be reviewed; and
(f) that the decision complies with these Regulations.

(6) Where the period for which the decision will apply comes to an end, the limits will be those set out in Column 1 of the table in Part I of Schedule 1 unless before the end of that period the administering authority reviews the decision in accordance with this regulation.

(7) A decision following a review to continue to use limits increased under regulation 14(3), whether or not the increased limits have been altered must—

(a) take account of the matters set out in paragraphs (2), (3) and (4); and
(b) specify the matters set out in paragraph (5).

(8) Before a decision under regulation 14(3) or under paragraph (7) of this regulation can take effect, the administering authority must revise and publish the written statement of investment principles which it is required to maintain under regulation 12 to include the matters specified in paragraph (5).

(a) The Occupational Pension Schemes (Investment) Regulations 2005 (S.I. 2005/3378, amended by S.I. 2007/814, 2009/615) which, in particular, prescribe certain investments as employer-related investments in addition to those specified in section 40(2) of the Pensions Act 1995, set out restrictions on employer-related investments and make provision as regards the application of the restrictions to schemes in relation to which there is more than one employer, may further restrict or limit investment of fund money.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations consolidate the Local Government Pension Scheme (Management and Investment of Funds) (Scotland) Regulations 1998 (S.I. 1998/2888) with subsequent amending instruments. In addition to minor and drafting amendments, the following changes of substance have been made.

Paragraph (4) of regulation 3 (definition of “investment”) provides that the use of pension fund money for any purpose for which the local authority may borrow money shall count as an investment for the purposes of these Regulations prior to 1st April 2010 whereupon it will cease to count as an investment.

Regulation 5 (power to borrow) sets out the circumstances in which the administering authority may borrow money for the purposes of its pension fund and the rules applying to the repayment of any such borrowing.

Regulation 6 (separate bank account) provides that pension fund money must be kept in a separate bank account held by the administering authority for that purpose by 1st April 2011.

Other provisions provide for: general definitions (regulation 2), what counts as an investment (regulation 3), the sums which an administering authority must pay to and pay from its pension fund (regulation 4), the power to appoint an investment manager including the terms of such appointment and the requirement to keep the performance of any such manager under review (regulations 7 to 10), general provisions concerning investments (regulation 11) including the requirement to prepare and maintain an investment policy (regulation 12), the limits which apply to certain types of investments and the requirements which apply if such limits are to be increased (regulations 14 and 15) and the requirement to pay interest on fund money used by the administering authority (regulation 16). Regulation 17(1) and Schedule 2 make consequential amendments and regulation 17(2) and Schedule 3 revoke the instruments which these Regulations replace.
