Dear Colleague

Police Pension Scheme (PPS) and New Police Pension Scheme (NPPS) - Consultation on draft regulations for proposed employee contribution increases

In a statement to Parliament on 28 November 2012, the Cabinet Secretary for Finance, Employment and Sustainable Growth, John Swinney, announced the Scottish Government's decision to implement the second annual increment of UK Government proposed employee contribution increases for the Teachers', NHS, Police and Firefighters' schemes in Scotland. The full text of that statement can be viewed in the Official Report for that day and via the following link:

<http://www.scottish.parliament.uk/parliamentarybusiness/28862.aspx?r=7569&i=69154&c=0&s=pensions>

Attached is a copy of a Scottish Government consultation on proposed increases to employee contribution rates to take effect from April 2013 for the Police Pension Schemes. However as staff associations remain opposed to the policy of increasing member contributions it has not been possible to reach agreement on proposed rates. Consequently, the proposals contained in the attached consultation represent the Scottish Government's considered view of the most appropriate rates to apply in the circumstances which follows the approach taken for 2012/13 by mirroring the increases proposed for the schemes in England and Wales.

To simplify the process you can respond to this consultation online via the following link http://www.sppa.gov.uk/index.php?option=com_wrapper&view=wrapper&Itemid=1497 Alternatively responses may be made by completing the Consultation Response Form attached to this letter which can either be submitted electronically to policepensionsreform@scotland.gsi.gov.uk or via mail to the following address no later than **20 February 2013**:

Police Pension Scheme (PPS) and New Police Pension Scheme (NPPS)

CONSULTATION ON DRAFT REGULATIONS FOR PROPOSED INCREASES TO EMPLOYEE CONTRIBUTION RATES EFFECTIVE FROM APRIL 2013

1. Purpose

1.1 This consultation sets out the Scottish Government's proposals for the second annual increase in employee contributions to the Police Pension Schemes, which are due to apply from 1 April 2013.

1.2 The Scottish Government invites views on the proposed employee contribution rates and on the draft regulations (attached) intended to bring these increases into effect. The Scottish Government has set out, at section 6, specific questions on which it would welcome responses, though consultees may respond on any aspect of the proposals.

1.3 **This consultation is solely concerned with further increases in employee contribution rates proposed to apply to the Police Pension Schemes in Scotland with effect from 1 April 2013.** In due course, the Scottish Government may consult on proposals for a potential third annual increase in employee contributions. It will also consult on proposals for longer-term reform of the Police Pension Schemes in Scotland following partnership negotiations.

2. Consultation timetable

2.1 This consultation runs from 24 January 2013 to 20 February 2013.

3. The Scottish Government's position on employee contribution rate increases

3.1 The Scottish Government has set out its position on employee contribution increases on a number of occasions, most recently during the Cabinet Secretary for Finance, Employment and Sustainable Growth's statement to Parliament on 28 November 2012. The full text of that statement can be viewed in the Official Report for that day and via the following link: <http://www.scottish.parliament.uk/parliamentarybusiness/28862.aspx?r=7569&i=69154&c=0&s=pensions>

4. Principles

4.1 The Scottish Government takes its commitment to affordability, sustainability and fairness in public sector pension deals seriously. In proposing the increases outlined in this consultation it has reflected its commitment to protect the lowest paid and minimise the risk of opt outs from the Police Pension Schemes.

4.2 The limited data on opt-outs available for the Police Pension Schemes to-date shows no identifiable increases in opt outs since the introduction of the first round of employee contribution increases. We understand that a similar picture has emerged from other public service schemes.

5. Proposed increase in contributions 2013-14

5.1 The Scottish Government proposals again mirror the rates proposed for the schemes in England and Wales that the employee contribution rates from 1 April 2013, should deliver a further 1.28 percentage point increase, on average, across the two police pension schemes during 2013-14.

5.2 The following tables set out the proposed employee contribution tariffs to apply to the police pension schemes from 1 April 2013.

Police Pension Scheme (1987)

Wholetime Pensionable pay band	Current rate (%)	Proposed increase from 2013-14 (%)	Cumulative increase from April 2012	New contribution rate from April 2013
£27,000 and under	11.6%	0.6%	1.2%	12.2%
£27,001- £60,000	12.25%	1.25%	2.5%	13.5%
Over £60,000	12.5%	1.5%	3.0%	14.0%

New Police Pension Scheme (2006)

Pensionable pay Band	Current rate %	Proposed increase from 2013-14 (%)	Cumulative increase from April 2012	Revised rate (%)
£27,000 and under	10.1%	0.6%	1.2%	10.7%
£27,001- £60,000	10.5%	1.0%	2.0%	11.5%
Over £60,000	10.75%	1.25%	2.5%	12.0%

5.4 Pension contributions are deducted from gross pay before income tax is deducted. As a result contributions normally benefit from tax relief provided for contributions made to an individual's pension scheme at the individual's tax rate e.g 20% for standard rate tax payers.

5.5 Individuals can use a pensions calculator available on the SPPA website to estimate what if any increase in contributions they will face from 1 April 2013.

6. Views sought on the proposals

6.1 This consultation sets out the proposals for increasing employee contributions from 1 April 2013. The Scottish Government would welcome views on the following questions:

Question 1: Do the proposed tiered contributions meet the Scottish Government's objectives of protecting the low paid and minimising opt outs from the scheme?

Question 2: Are there any other rates which you think will help to further minimise any opt outs from the police pension schemes, but will deliver the necessary increase?

Question 3: Are there any consequences of the proposed contribution tiers that you consider have not been addressed?

Question 4: Do you consider that there are any potential equality issues? For example, is there anything in the proposals that might result in individual groups being disproportionately affected by the proposed contribution tiering?

Question 5: Are there any other specific issues around these potential increases and draft regulations that you would like the Scottish Government to consider?

The closing date for receipt of comments is 20 February 2013.
