Action: Read and circulate to all interested parties

Subject: Annual Benefit Statements now available

Date: 28 September 2020

The purpose of this circular is to inform employers that 2020 Annual Benefit Statements have been re-uploaded to our online portal and are available to view online for active members of the Scottish Teachers' Pension Schemes.

As a reminder, we had previously removed the statements to make an update to our system. This has now been completed and we have re-uploaded the majority (98%) of the statements to MyPension.

We are still working through the remainder of the statements which will be uploaded by 31 October, please advise members not to contact SPPA before this date if their statement is not currently available in MyPension.

We are sorry about the delay and can assure our members that there was no impact on their pension or finances – and that there had been no breach of any of our members' data. This issue affected statements only.

We have also put measures in place that will prevent this from happening again in the future.

Any questions?

Please contact sppacontactus@gov.scot if you have any questions on Annual Benefits Statements.
