Who should read: NHS HR and Payroll Managers, GP Practice Managers, Direction Bodies, Trade Unions

Action: Read and circulate to all interested parties

Subject: Annual Benefit Statements update

Date: 15 September 2020

The purpose of this circular is to inform employers that we have identified an issue in our Annual Benefits Statements that has affected our Active NHS members.

Important: We are sorry that this has occurred and can assure our members that there is no impact on their pension or finances – and that there has been no breach of any of our members' data. This issue has affected Annual Benefit Statements only.

It is our plan to have all statements available by the end of October.

Important

Please **do not** share the **Annex A: Annual Benefit Statements update for members** text on [Circular 2020/09](#) as members will not be able to access their statements at this time.

We will contact you to inform you regarding next steps of communicating with your members.

Any questions?

Please contact sppacontactus@gov.scot if you have any questions on Annual Benefits Statements.
